## The Empowered to Lead Symposium

The Empowered to Lead Symposium, an annual event hosted by the Connecticut Teacher of the Year Council, is Connecticut's premier educational conference. E2Lead provides opportunities for teacher-leaders, administrators, and other educators to articulate and enhance their collective power, expertise, and experience. This transformative event includes inspiring keynote and luncheon speakers; multiple networking opportunities; and interactive sessions that promote the sharing of ideas and resources, innovative strategies and solutions, and collaborative discourse and practices geared toward elevating our profession.

***“I left feeling inspired, energized, and ready to change the world!”***

***“This was an amazing day. The entire experience was worthwhile, beneficial, and I walked away feeling inspired and motivated to continue to grow in my own profession and influence others to do the same.”***

***“What a superb opportunity to collaborate with other leaders who thrive to make a difference in our profession. I felt supported and validated. Days like this should happen more often.”***

***“I wish all teacher leaders could experience a day like today!”***

## The Connecticut Teacher of the Year Council

The Connecticut Teacher of the Year Program is recognized throughout the state as Connecticut's premier teacher recognition program. School districts throughout the state participate in this prestigious process, nominating local teachers who participate in a rigorous selection process with the hopes of becoming Connecticut's Teacher of the Year. The Connecticut Teacher of the Year Council, in partnership with sponsors and the Connecticut State Department of Education, develops programming aimed at engaging Teachers of the Year in activities and roles that allow them to share, learn, and advocate for best practices and policies in public education.

For more information about the Connecticut Teacher of the Year Council, please visit <http://www.cttoycouncil.org>

***The Connecticut Teacher of the Year Council offers a limited number of opportunities to sponsor this exceptional day of professional learning. Sponsorships offer organizations unique opportunities to interact with educational thought leaders and to showcase their support of education throughout the state.***
