

NSTOY-PA Apple Award Program Description

The NSTOY-PA Apple Award program is intended to recognize teachers outside of the NSTOY-PA organization for their teaching excellence. Any active NSTOY-PA member can recommend a colleague by completing an Apple Award Recommendation Form.

The NSTOY-PA Apple Award is meant to give a “pat on the back” to colleagues who make a difference in the lives of their students, school district, and community. NSTOY-PA wants to recognize teachers who are not currently members of the organization by awarding them a certificate of appreciation. NSTOY-PA will also recognize Apple Award recipients with a letter to their superintendent and listing their name in the NSTOY-PA newsletter.
